Has been awarded many prizes and greatly admired in numerous showrooms. A strong grower making large bulbs. 25c. each, \$2.50 per doz.

Triandrus Thalia. In addition to a peculiar attraction at first sight, this flower leaves a wish for something that seems missing. One can't say what it is, and yet one feels decidedly that a mysterious want exists. Is it the whiteness that is not white, or the recurving petals and the angle of the three short trumpets, so unlike the conventional type? Or the dark green, round, reedlike stem? Some call it the "orchid-flowered" Daffodil. 20c. each, \$2.00 per doz.
